WORD ASSOCIATION GAME

Team 1 will pick words for Team 2 to guess and visa versa. 1 player will then pull out the word and will have to use words by association for their team to guess- in 30 seconds! If the team successfully guess the word, they get 1 point, if not, the point goes to the other team. For example; the word is EGGS, you could use the words 'chicken', 'boiled', 'fried', 'hatch', but you can't use sentences to describe your word. We have started you off with two words each.
